13cabs

we'll get you there

13cabs

As Australia's leading personal transport company, 13cabs are committed to getting people where they need to go, everytime, everywhere.

True to its time-honoured promise of 'We'll get you there', 13cabs is backed by a fleet of over 10,000 vehicles nationally and Australian-based contact centres operating 24/7.

Regularly providing transport for NDIS clients, we have a specialised team ready to assist you with your transport needs. We understand that having the ability to use safe and reliable transport is key to maintaining independence. For many this may mean traveling to work, school or study, or it might mean transport to appointments or social events.

By choosing a 13cabs NDIS Travel Account, you can use your transport funding and take control of your travel. 13cabs' fleet of vehicles includes taxis, limos and wheelchair-accessible vehicles to get you from A to B in a vehicle suited to your individual needs.
