

About Us

The Cleanex Services provides a one-stop place for participants requiring multiple supports. We pride ourselves on having comprehensive support systems to our support workers with training and quality assurance services.

Our Vision

We support people living with disabilities and help them to reach their full potential by providing services that promote an inclusive society. Our purpose is to build an inclusive society where everyone is free to choose to live life as they want to.

Why Choose The Cleanex?

The Cleanex is the Service Provider of choice for many people including:

We are open 24/7

Our staff are police-checked and have Working With Children Check
We empower you to make choices that make you happy and healthy.

Personal Care Supports

The Cleanex provides personal care supports to help clients maintain appropriate standards of hygiene and grooming across a variety of settings.

Respite Care

Need a holiday? Cleanex can take care of your loved one while you get the much needed break. We can assist with respite in your own home, retirement village or one of our homes.

Personal Activities

Our qualified team can connect with a range of services that support participants to manage their own mental health and well-being including youth-friendly services, culturally appropriate services for Aboriginal and Torres Strait Islander people.

Daily Tasks/Shared Living

The Cleanex ensures participants have access to affordable, appropriate and secure accommodation and their needs are taken care of.
