Your Goals

Your needs and goals are unique, and so we'll work with you to make sure you get the most out of your NDIS plan.

We'll work with you to:

- Create a personalised support plan
- Support you in achieving your goals
- Coordinate all of your services and put you in control of your supports and services.

What is the NDIS?

The NDIS stands for the National Disability Insurance Scheme. It's a government body designed to give people with disability more choice and control around the supports they receive.

Your Eligibility for NDIS

If you are an Australian living with a permanent or significant disability, aged under 65 years, the National Disability Insurance Scheme (NDIS) can help you.
