

About us

We are a WA based registered NDIS provider with a focus on inclusiveness, family values, and a passion for what we do. We believe that every person has the right to live an independent and self-directed life.

We partner with people with disabilities and their families by providing tailored services aligned with the individuals goals and aspirations. If you are interested in gaming, art therapy, walking trails, attending your favourite music festival or simply relaxing and watching movies, we are here for you. We support people aged 6 to 65, of all genders, ethnicities, cultures and linguistic backgrounds.

**COMPASSION
HAS NO LIMIT**

Our Mission

“Building relationships, exploring preferences, discovering possibilities”

Our Vision

“To be the most responsive and dynamic support services provider in Western Australia, by offering personalised and flexible supports that are chosen by the individual.”

People we support

We support people with disability to live a self-directed life. We support people with:

- Spinal cord injuries living with quadriplegia and other related disabilities
- Acquired brain injuries
- Physical disabilities such as amputations
- intellectual disabilities
- Motor disabilities such as multiple sclerosis
- Muscular dystrophy and
- Neurological disorders such as Huntington's disease and dementia

**“Building relationships,
exploring preferences,
discovering possibilities”**

How we aim to achieve our mission:

- We take time to understand what matters to you and fully understand what makes you who you are
- We explore what 'choice' and 'control' looks like to you and incorporate it into the service design
- We involve you in identifying a suitable support worker
- We implement the plan and watch magic happen as we discover your unique outcomes
- We check in regularly to ensure your goals are on track

Supports we provide include:

- Assistance with daily living activities which includes self-care including personal care, house and yard maintenance, house cleaning & laundering
- Assistance with shopping for groceries and planning for nutritious meals
- Assistance with activity based transport and accessing public transport
- Assistance with community participation including attending events of interest such as gaming conventions, anime meets, horse riding, and excursions etc.
- Nursing care delivered by Registered and Enrolled Nurses relating to your medical needs which include but are not limited to wound management, diabetes management, stoma care, and educating your support team to effectively manage your supports
