

OUR MISSION

To make a positive difference in the lives of people with disabilities and their families.

OUR VISION

To be an organisation that empowers and supports people from different walks of life and remind them of their abilities rather than their disabilities.

“Our NDIS services also provides ongoing staff training in disability care best practice to inform our mission to provide excellent, affordable and quality access to support and care for disabled people Australia wide.”

Business Brochure

Our Services

Community Participation

Empowers you to take part actively in local community activities including visiting friends and family for a richer, more rewarding life. We provide as much or as little companionship as you need to make the most of what's on offer.

Household Tasks

Includes help with tasks like cleaning, gardening, lawn mowing, meal preparation or laundry. We involve you as little or as much as you would like to increase your own capacity to maintain your home.

Group / Centre Activities

Our NDIS team Group centers activities are a great way to socialise and learn new skills. We encourage you to be involved in planning your regular activities.

About Us

Deer Disability Services is a centre for excellence and innovation in quality care practices. We are an NDIS services registered provider who exists to support you to achieve your personal goals, helping you live a fulfilling life by providing services that cater to your personal, emotional and social needs.

Assist-Personal Activities

Both inside and outside your home, our NDIS team assist personal activities providers will supervise as you to get ready for the day, including bathing, grooming, mobility around the house, eating & drinking.

Assist-Travel/ Transport

We provide reliable transportation, using appropriate vehicles, aids and equipment to get you to and from appointments, visiting friends and family or attending community activities. We help build your skills in using public transport to empower you travel independently.

Community Nursing Care

Our team of highly-skilled and enrolled community nurses will provide a range of in-home nursing care services to support your quality of life. Assistance with medication management is one of the many services we provide all in the comfort of your own home.
