

ACCOUNTABLE CARPET CLEANING

Hygiene is an essential service and YES we are here for YOU

Accountable Carpet Cleaning is Australia's longest serving carpet cleaner with 38 years of experience.

We are fully Australian owned and operated and guarantee a highly professional and personal service.

We specialise in giving you the best possible service at the best possible price.

We pride ourselves on the high quality of our service and extensive professional experience.

Our other services include tile cleaning (indoor and outdoor), upholstery cleaning (fabric and leather), rug cleaning, mattress cleaning and Scotchgarding.

We use the best truck mounted steam cleaning machine in the world that cleans over boiling point which ensures the best possible removal of dirt, grime and stains.

We have a very powerful portable machine that we can use in high rise buildings.

We clean private homes and commercial properties.

All of our chemicals are non-toxic and biodegradable making your carpet safe for children and pets.
