SOLUTIONS**

ABOUT US

We value our clients and always strive to provide well-trained support staff in a timely manner, with cost-effective solutions in all aspects of service delivery whilst promoting equality and innovative justice within the community.

Our mission is to provide quality support & care to all our clients; to enable them with opportunities & support to achieve their goals.

SERVICES

IN HOME SERVICE SUPPORTS

We understand the value of doing things for yourself and want to support you to be able to live independently

ASSIST - TRAVEL/TRANSPORT

We provide clients assistance with transportation needs, which include social support such as shopping, paying bills and more.

HOUSEHOLD TASKS

Our services include: daily personal care and household task assistance such as general house cleaning, bed making, pegging out laundry, cooking, and unaccompanied shopping and errands.

SOCIAL & COMMUNITY PARTICIPATION

We provide support activities that are tailored to you individually. We also offer a range of active support options on an individual basis so you can try and learn new things, make new friends and get involved in your community. The priority is always to meet, support and achieve the individual goals.
