Complete Health Services

OUR SERVICES

COMMUNITY NURSING

Our highly skilled and experienced Registered Nurses aim to support and maintain your independence, safety and healthy lifestyle. Our hospital in the home services also include palliative care, wound management and general nursing care.

DOMESTIC ASSISTANCE

A clean and tidy home can make a big difference to your health, wellbeing and comfort. Our team can assist you with regular or occasional household tasks.

SOCIAL & COMMUNITY ACCESS

Medical or hairdresser appointment? Feel like taking a walk or watching a movie? Our team is here to assist you to achieve your goals.

PERSONAL CARE

Our team is here to help you feel empowered to be yourself. We can help with everyday personal care so you can start your day with confidence.

SHOPPING & MEAL PREPARATION

Good nutrition is an important part of leading a healthy life. Our skilled nutrition team is here to assist you with a meal plan and also develop your cooking skills. Good nutrition starts with shopping, our team will be there by your side to help you create your shopping list and support you while you shop.

SUPPORT COORDINATION

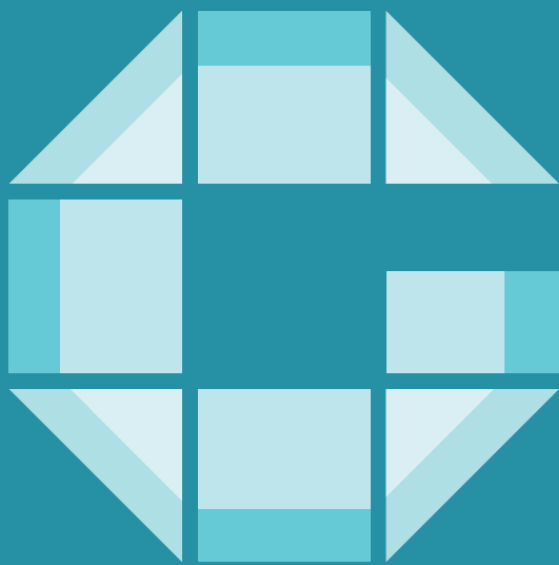

Our Support Coordinator will be the link between you and the services in your plan that will help you achieve your goals and enhance your life skills.

SUPPORTED INDEPENDENT LIVING

Supported Independent Living is help with daily tasks to enhance the skills that allow you to live more independently. The services are provided to you in your home and can be in a shared and individual arrangement.
