# HOMEPHYSIO

MELBOURNE

We guarantee that our physiotherapists will help you achieve your desired goals.

We save time by traveling to you.

We service the Cities of Bayside, Glen Eira, Melbourne, Stonnington, Boroondara, Kingston, Port Phillip and Yarra, Whitehorse, Darebin, Manningham, Moreland and Monash.

We use the evidence-based practices of manual therapy, education, exercise, proprioception and ergonomics - treatments that are proven to be effective in your rehab.

## Our physiotherapists are experts in treating:

- > Post-surgical rehab
- > Lower back and neck pain
- > Mobility and balance
- > Arthritis
- > Knees and shoulders
- > Postural problems
- > Pre and Post-natal issues
- > Sporting injuries
- > Total hip and knee replacements
- > Neurological Disorders

### All home physiotherapists:

★  
Are members of the APA

★  
Have police checks

★  
Are registered with AHPRA

Health rebates by over **30 private health funds** can be applied.

Home Physio Melbourne is a concierge-style, home physiotherapy service run by some of Melbourne's top physiotherapists. We provide home visits throughout Melbourne, in the comfort of your home or office.
