

is a Canberra-based Community Organisation led by two therapeutic professionals with over 35 years of experience in supporting children, young people and families.

Sanctuary Aus staff bring a wealth of professional skills, qualifications and experience in therapeutic care and program management in the Canberra community.

Our goal is to create a Sanctuary where the community can support our children and families:

to heal, to grow,
to contribute, to connect,
to belong, to be safe and
to grow strong together.

Building Safer Communities for Children

For further information don't be shy. Contact us to discuss how we can help you.

Sanctuary Disability Services

Sanctuary Aus provide a range of therapeutic services and supports to fit the needs of each child and family.

We specialise in:

- providing comprehensive Behaviour Management Plans, assessing a child's needs, strengths, and challenges.
- teaching children and young people emotional and social skills;
- supporting children and young people to better manage their reactions and behaviours;
- working with young children to increase their development;
- Working with parents and the whole family to support them in their roles in caring for their child with additional needs.

Sanctuary Disability Services

offers a range of services to support the emotional, behavioural and social/relationship development of children and young people with disabilities.

We can work with you during school hours, after work, or on weekends. Where possible we work with the whole family to provide a holistic services that meets the needs of the child with a disability and the whole family.

We work in a range of settings, including the family home, the school or other place where the family is comfortable. We can work with individuals, the parents or the whole family.

Sanctuary Aus - other Complimentary services
