

# NDIS made easy

We take a **flexible** and **personalised** approach to helping you get what you need.

**Aspect Plan Management** provides a professional and responsive service to reduce the stress in managing your NDIS plan. Receive reimbursements within 1 business day and your providers are paid within 3 business days. Invoices from you or your providers can be submitted to us via email. We manage all the record keeping for your plan and provide support with plan reviews and audits. We resolve any invoice queries and keep you on top of your budget.

It's a **free service** for NDIS participants with Plan Management support. There are no costs or out of pocket expenses for you.

## How it works:

## No cost. Less stress. More flexibility.
