

Do you have concerns about your child's development?

We provide early childhood and school-aged intervention services for children in the Southern Highlands and Wollondilly with delayed development and additional needs.

If you have any concerns about your child or youth's physical, intellectual, social, emotional or language development, contact us and we can discuss the options available to you, your family and your child.

Our Purpose

To work in partnership with families to provide holistic support that meets each child's individual needs.

BFL is an independent not for profit organisation which provides therapy and support for children and youths ages 0-15 years old with a disability or additional need.

BFL runs its programs with a combination of:

- National Disability Insurance Agency funding
- Government grants from Ageing Disability and Homes Care
- The Department of Education
- Parent fees and money raised through grants, sponsorships and fundraising activities.
