

Zara Build & Design CV

About Us

Sydney's leading new home, commercial and renovations builder.

Zara Build & Design was founded by Belal Reda on a commitment to provide quality residential and commercial building and renovation projects throughout Sydney and surrounds.

At Zara Build & Design, our passion is building and creating. Whether it is a new home, a commercial establishment or renovation work, we aim to exceed client's expectations in every project completion. There is no project too big or too small, we give the same 100% in delivering a job well done that exceeds clients' expectations, every time.

Our Approach

With 18 years of industry experience, Belal excels in management, spearheading a highly skilled and professional team in delivering seamless project completions to hundreds of happy clients in the Sydney area for almost two decades. With our teams' friendly and personalised approach, attention to detail, and quality craftsmanship, we ensure a smooth and easy building experience for our clients from start to finish.

Client focused, we monitor the work in progress every day, making sure they are kept constantly up to speed on progress or any development questions and that the project is running smoothly. We listen carefully to the thoughts of each individual client, thus ensuring them that results will meet their expectations every time.

With combined passion and experience, Zara Build & Design has excelled at meeting the needs and requirements of clients, consistently earning referrals. We look forward to many more years serving the Sydney community and beyond, delivering the same quality workmanship and services to each and every project we handle.

Zara Build & Designs motivation arises from the belief that there is no failure, only feedback, allowing us to turn difficult mandates into profitable solutions. We do not shy away from any challenge put in front of us.

Our Principles and Values

The key principles under which Zara Build & Design adheres to include:

- Excellence
- Integrity
- Sustainability
- Quality
- Safety

Excellence | Zara Build & Design Pty Ltd is a business built on success. We are determined to exceed our client's expectations and industry standards in everything we do. We embrace our clients as part of our project team and work together to add genuine value to all projects undertaken.

Integrity | By being honest, fair-minded and dependable, we build valued long lasting relationships with our clients and colleagues. Our clients and the people we work with put their trust in us because we do what we say we are going to do. Our approach is transparent, upfront and straight forward so everyone we deal with can be certain of the result.

Sustainability | Environmental sustainability is at the forefront of our core values, and as such we are dedicated to environmentally responsible and resource-efficient building practices. We believe quality workmanship and materials are integral in the creation of a sustainable built environment.

Quality | One word to describe Zara Build & Design's work is **QUALITY**. With almost two decades of experience in the building industry, Zara Build & Design each time delivers a quality finish that is second to none.

Safety | Zara Build & Design has an excellent safety record which is derived via a holistic approach to safety. Everyone is accountable for their actions, but everyone is responsible for not only themselves, but those around them. We offer training and up skilling opportunities to help our team grow and develop. We work as a team, we succeed as a team.
